ShopDevious.com Glitter Girls to Collect Cellular Phones to Donate to domestic violence victims

Phoenix, Arizona, January 18, 2007— ShopDevious.com glitter girls will be collecting cellular phones for donation to Hopeline®, helping to provide refurbished cell phones to victims of domestic violence, at Casey At The Bat- 3947 E Union Hills, in Phoenix Arizona, from 6:30pm until 9pm on February 10, 2007. Volunteer to be a Glitter Girl by emailing us at pr@deviouswigs.com

The glitter girls, glamorized in wild wigs & accessories, will be at the February Arizona Roller Derby exhibition bout with a collection box, collecting your unused/damaged cellular phones, in hopes of collecting many for Hopeline®. Providing emergency use cellular phones to those in need is an easy way to help our community survive this epidemic. Drop off your donation at the February Arizona Roller Derby exhibition bout and support those in need, because not only the victim suffers, the entire family does too.

Hopeline® is a phone recycling program, exclusive to Verizon Wireless®, which uses refurbished and recycled wireless equipment, regardless of carrier, make, model or technology, and Verizon Wireless® services to assist victims of domestic violence. They use the proceeds from the sale of any donated phone to fund non-profit agencies and to purchase wireless phones for victims of domestic violence. Older, unsalvageable phones are disposed of through an Environmental Protection Agency (EPA)-certified salvage company.
